## MISSION of the MONTH

The Counseling Fund is used to help those in Haven's congregation that are in need of financial assistance with counseling services. Consistory is currently working to set up a partnership with local organizations to help care for those in need.

# WELCOME!

We are so glad to have you worshipping with us this morning. It is our hope that you will have the opportunity to engage and grow here at Haven.

What are some things you like to do? What are some things you are good at doing? When you pray and read the Bible, what are some things you sense God is asking you to do? How do all these questions interact? And, God wouldn't ask you to do something that makes you uncomfortable, would He? Let's explore.

*Pastor Scott*
