## MISSION of the MONTH

Haven students will be participating in the Impact Kalamazoo mission experience July 9-15. Developing servant leaders and transforming communities is the foundation of Impact Kalamazoo. Each day, each activity, and each experience is design specifically to open their eyes to the calling God has placed on them. The money that you donate to the mission of the month will go toward helping the students pay for this mission experience.

## THERE'S AN APP

Family relationships can be one of the greatest blessings in our lives. And, for most of us, family relationships can be one of the great challenges in our lives. It is also true, isn't it, that we want our relationships within the family to be the best they can be. No one stands up and says, "I really hope we have rotten relationships in our family." This morning we look at some of the things God has to say to help us experience joy and strength within our families.

**NEW?** If you are new to Haven please stop by the Guest Services Desk where we have a Welcome Packet with a coupon to our Three-Hearted Cafe!
