The Adventure

“Some Things Change, Some Things Stay the Same”
Acts 2:42-47

NEXT WEEK

Pastor Scott will be preaching on Acts 3:1-10 “What I Have I Give You.”

MISSION of the MONTH

RCA Words of Hope is an international media ministry working to build the church throughout the world. Words of Hope focuses on areas that are hard to reach with the gospel, either because of poverty, geography, or social antagonism toward Christianity. They partner with existing Christian organizations in these hard-to-reach countries and equip them to more effectively minister in their own language and context, among their own people.

WELCOME!

We are so glad to have you worshipping with us this morning. It is our hope that you will have the opportunity to engage and grow here at Haven.

As we respond to the challenge and adventure in front of us—being the church God wants us to be and having the impact in the world God wants us to have—what needs to change and what needs to stay the same? Many people are noticing that the circumstances we face in our world are more and more like the circumstances people in the early church faced. Let's open the book of Acts and listen to what God has for us today.
